-

Date 25.08.2005

Between:

D.Lalithamma.

..... PETITIONER

AND

The Assistant Divisional Engineer, Dist-XIV-City IV (North),
A.P.Transco (S.R.Nagar Section), Green Lands,
Hyderabad-16 & others.

.....RESPONDENTS

The Court made the following Order:

This writ petition is filed seeking a direction to the respondents to provide electricity power connection to the petitioner's house bearing No.7-1-246/61, Babugajeevanram Colony, Balkampet, Hyderabad by receiving necessary charges as per the petitioner's application dated 12.07.2000.

This Court, while admitting the writ petition on 19.02.2001, directed the respondents to provide temporary electric connection to the petitioner's premises on condition of the petitioner complying with the terms and conditions of supply. By order dated 21.12.2001, this Court further directed respondents to provide service connection on payment of regular electricity charges under domestic category.

The learned counsel for the petitioner submits that in compliance with the said

orders, power supply has already been restored and petitioner has been paying necessary consumption charges.

Inasmuch as no counter affidavit is filed opposing the allegations made by the petitioner, I deem it appropriate to dispose of the writ petition directing the respondents to continue to supply power on payment of regular consumption charges in accordance with the tariff notified. If the said consumption is not in accordance with the tariff notified, it is open for the respondents to issue notice and pass appropriate orders.

Accordingly, the writ petition is disposed of. No order as to costs.
